

# PSSD Extra-Curricular Overview

## **Definition by LINC:**

Extra-curricular Supervision shall be defined as supervision of and planning for approved voluntary student activities provided outside of the regular instructional classroom program.

## **Conditions:**

- Does not occur during hours of school operation
- Has a direct impact on students
- Students benefit from the event/program
- Events in which students must choose to join. (Students opt in- events in which all must attend/do and opt out are not considered extra-curricular)
